### Profile

Creating cutting-edge web and mobile experiences.

With over three years in the industry, I specialize in React.js, Next.js, TailwindCSS for the web, and Flutter and Dart for mobile.

### Experience

**LUM Logistic, Frontend Engineer** 2023 - 2025

Creating specialized systems for smooth logistics management, making sure resources are used efficiently.

**Hi Beauty, Frontend Developer** 2022 - 2023

Played a key role in building and managing the website and internal systems, set up the tech stack, and ensured a smooth workflow for the team.

**StartupsLab Agency, Frontend Developer** 2020 - 2022

Contributed to building the company's website and services, created websites for clients, and worked on internal product development.
